

Adult Education Program Begins At Lincoln-Way

Adult education classes at Lincoln-Way high school began today for some, last Tuesday, Sept. 28, for others. The program is open to all persons over 18 years of age not currently enrolled in a high school.

Classes begin at 7:30 and run to 9:30 p.m. and courses will be from five to 10 weeks in length. Tuition runs from \$5 to \$10, depending upon the number of sessions. All courses will be non-credit and basically are offered for improvement, general know-

ledge and leisure-time living.

Course offered include oil painting, corn production, farm management, book-keeping, personal income tax, shorthand refresher, typing refresher, modern business machines, beginning typing and shorthand, home - furnishings, general wood and metal work, drafting, basic and advanced electronics, beginning German and Spanish; modern math for parents, bridge, golf, science for the space age,

applied chemistry, democracy in America, psychology, the Great Books, American literature, functional writing, writing and composition, drama, public speaking and classroom driver education.

All departments of the high school are involved in an effort to provide an educational program of interest to everyone in the community, it was explained by Jonas Lashmet, guidance director, who is in charge of the adult education program.

WORKING on details of the adult education program at Lincoln-Way high school (l to r) are: Jonas Lashmet, director of guidance; Kevin McGivern, coordinator of instructional affairs, and Mrs. Melvin Moutrey, secretary. Classes are held on Tuesday and Thursday nights. This Tuesday was the beginning for some courses and tonight will see the others begin. (L-W photo)

Back To School Night At L-W

The Lincoln-Way Parents-Teachers Group will once again sponsor the Back to School Night for the parents of High school students. The event is planned for Wednesday, Oct. 6 at 8:00 p.m.

According to Jonas Lashmet, guidance director, this annual evening at school gives the parents an opportunity to meet their son's or daughter's teachers and gives them an understanding of the various courses their children are taking. All teachers will have a schedule of classes and rooms numbers to follow. The actual procedure will be explained during the regular portion of the meeting which will be in the auditorium.

The officers of the PTG for the 1965-66 school year are: Earl Moss, president; Earl Montgomery, vice-president; Dr. Merle Otto, vice-president; Mrs. Frank Goetschel, secretary; Mrs. Margie Hartnell, treasurer and James Pickerill, school representative.

The area representatives include: Mrs. John Chestnut and Mrs. John Hayden, Arbory Hills; Mrs. Lewis Ebert and Mrs. Ralph Nieland, Frankfort; Mrs. Steve Kubeck and Mrs. Donald Ball, Lincoln Estates; Mrs. Don Seitzinger and Mrs. Margie Smith, Manhattan; Mrs. June Crabb and Mrs. Curtis Buck, Marley; Mrs. Ruth Niedringhaus and Mrs. Durward Fant, Mokena; and Mrs. Jim Pollack and Mrs. Betty Klasing, New Lenox.

Better Library Service For All

Development of better library service for all in the Mokena-Frankfort area was the topic of discussion of a group which met at the Frankfort school, Wednesday, Sept. 22.

At present, both Frankfort and Mokena maintain small village libraries on a volunteer basis. Due to many factors, both groups feel better library service could and should be available to their entire area.

James Ennis will act as temporary co-ordinator of the group. He urges every person interested in acquiring good public library service, on both an adult and child level, to attend this meeting.

Vote 'No' On School Bonds

Two school referendum issues for Mokena School District 159 were defeated Saturday, Sept. 25 by Mokena voters.

A total of 683 votes were cast on a 21 percent educational rate increase. There were 388 no votes, 283 yes votes and 12 ballots were spoiled.

In the vote on a \$280,000 bond issue to buy land and build a 12 room school, voters turned down the proposal 388 to 289. There were 685 votes cast and eight spoiled ballots.

The Mokena Board of Education met to canvass the election immediately fol-

lowing the election count last Saturday evening, Sept. 25. At the canvassing the board declared the election in every way a legal and proper election.

A spokesman of the board expressed that the board was disappointed and naturally discouraged that so many voters apparently disapproved of the two issues. He further stated that the board agreed that they will make every attempt to find out from the community what it is they want for the children of the district. They are certain that the community wants their students to have classrooms available as they are needed.

Big Rally Monday Night Will Usher In 4-H Week

More than 2,190,700 boys and girls, belonging to 94,800 4-H Clubs, will observe National 4-H Club Week this fall, Sept. 25 to Oct. 2. Sharing with them will be parents, leaders, and 4-H friends in all 50 states and Puerto Rico.

Among the special 4-H Week activities planned for Will county 4-H members is

Will County 4-H Rally which will be held Monday evening, Sept. 27 at Francis 4-H Field and Oakview school gym, New Lenox.

High School age 4-H members will have their rally at Francis 4-H Field near New Lenox. The rally will begin at 7:30 p.m.

All 4-H'ers not in high school will have their evening of games and fun at the Oakview School Gym, New Lenox. Registration will begin at 7 p.m. and the games will get under way at 7:30. Among aims of this year's

4-H Week observance are to encourage more young people, 9 to 19 years old, to join or form 4-H clubs; acquaint more parents with 4-H and enlist their cooperation; urge a larger number of capable, public-spirited men and women to volunteer as 4-H leaders; recognize the important part played by friends of 4-H locally and nationally, and express appreciation to them.

Aiding club members with 4-H week events here and elsewhere will be 367,000 4-H local leaders, who guide 4-H work in their communities throughout the country. They will be assisted by 138,600 older 4-H'ers called junior leaders.

More information on 4-H or 4-H Week is available from the county agricultural and home economics offices at 100 Manhattan Road, Joliet.

STILL GOING STRONG--this 1924 Model T four-door sedan and the Cooper-Hostert Ford agency of Mokena now in its 50th year. When the car shown here came off the assembly line --another creation of Henry Ford -- the Mokena agency was eight years old. It was established Sept. 21, 1916 by the late Elmer L. Cooper and his brother-in-law, the late Barney Hostert. Standing beside the car is Harold J. Cooper, son of Elmer, who has been head of the business since 1956. Mrs. Viola Hostert, widow of Barney, still has a half interest in the firm. The first car sold by the agency in the area was a touring car -- in 1916 Ford made only touring cars and roadsters -- that went to Charles Liess, Mokena baker. The car cost him \$375. It is pretty certain that this price did not include demountable rims, and maybe the side curtains cost extra too. It was about this time a few cars became equipped with windshield wipers, that operated by hand, and were an additional item on the bill of sale. (Graphic Newspaper Photo).

GRATEFUL

Dear Sir;

The family's of Donald and John Cooper are in eternal debt and gratitude to the good and brave people who helped us at our recent airplane landing accident, and since, during our stay at this hospital. Only Donald remains here, the other six of us having been released.

The thoughtful goodness of everyone has been a revelation to us all.

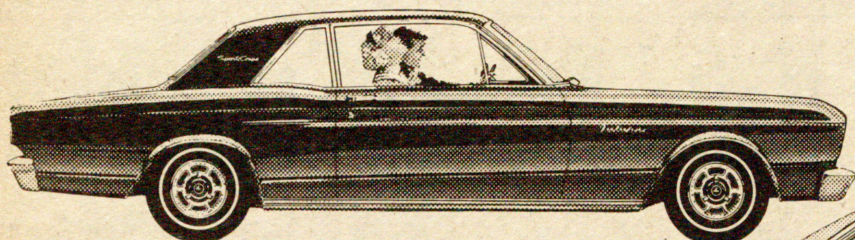

Most sincerely,

SWDC Launches Years Program

The Executive Board of the Southwest Development Committee held a planning session last week and launched an interesting years program. The meeting was held in the Tinley Park Central school with chairman Kenneth Webster presiding.

First item to be considered was a regular monthly meeting night and

place. It was decided that all meetings this year would be held on the fourth Wednesday in the Bremen Town Hall. These meetings will be open to the public, and several interesting and informative programs are being planned.

Election of officers for this years term found last years slate being re-elected. Therefore, Kenneth Webster, Tinley Park, will con-

tinue as chairman; Mrs. H. L. Taylor, Flossmoor, vice-chairman; Denis Normoyle, Tinley Park, secretary; and Leon Marcoux, Mokena, treasurer.

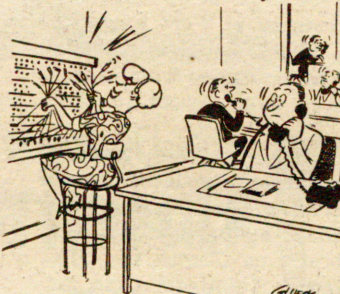

The following board members were then appointed chairman of the various committees which will function this year. They are as follows: Maurice Angland, Mokena, highway development; John Cooke, Markham, industrial planning; Dr. J. D. Howard, Country Club Hills, community problems; Gerald Dunn, Oak Forest, projects committee; Leland Rayson, state and national affairs, Tinley Park; Mrs. H. L. Taylor, Flossmoor, constitution committee; Leo Marcoux, Mokena, finance committee.

The Southwest Development Committee is composed of citizens who are interested in the planned development and growth of the southwest suburban area. The organization is open to any citizen, of the sixteen neighboring communities, who cares to join. It also

invites the various community service organizations in the area to send a representative to each meeting. The next public meeting will be held on Wednesday, Oct. 27, at the Bremen Town Hall in Markham.

Seng Resigns As Trustee At Orland Park

At the village board meeting of Orland Park, held Monday, Sept. 27, Wendell Seng submitted a letter of resignation, which becomes effective Oct. 1. Seng is changing employment, which will necessitate moving out of the Orland area. He has been a trustee for two years.

Extra Social Security Checks In The Mail

If area residents who get monthly social security checks haven't already received an extra special envelope in the mail they should get them this week, according to Harold Whiteside, social security district manager in Joliet.

This envelope will contain a special social security benefit check, representing a 7 per cent increase in cash benefits for the months of January, 1965, thru August. The monthly benefit increase is part of the 1965 amend-

ments to the Social Security Act, which recently became law, Whiteside continued.

Early in October, beneficiaries will receive their first regular check at the increase rate. This will be the social security benefit for September. Each month thereafter, the check will be in the new amount.

Whiteside stressed that there is no need for a beneficiary to get in touch with the district office when the special check arrives. The amount of the check will be for the difference between the old and new benefit rate for the period January thru August, and will not be in the same amount as their regular check.

Bicycle Lectures By police Chief

Mokena's chief-of-police, Roy Newton, gave two lectures recently to the students of St. Mary's school, pertaining to the rules and regulations of bicycle riding. These lectures were also given at the Carpenter school to the Cub Scouts and two different groups at St. John's church.

Honor Waldemers At Farewell Party

MRS. EMIL WILLE
Telephone: 469-5277

Members of the Calvary Baptist church entertained at a farewell party in honor of the Rev. and Mrs. S. E. Waldemer, who resigned recently. The party was held Thursday evening, Sept. 16 in the church parlors. Members of Immanuel Baptist church of Chicago Heights also attended.

The young people of the church sang songs accompanied at the organ by Miss Kathy Cummings.

Rev. and Mrs. Waldemer were presented with a purse of money from the group.

On Friday, Oct. 1 at 8 p.m., a reception will be held for the new minister, Rev. and Mrs. John Wahnert. Everyone is invited to attend.

Mrs. Joe Machtemes is recovering at home following surgery at Silver Cross hospital.

Mrs. George Letts and son, Mark, have returned to Conoga Park, Cal., after spending the summer visiting relatives here and in Chicago.

Mrs. Frieda Whitaker of Chesterton, Ind. spent the weekend with her sister, Mr.

and Mrs. Emereth Boyden.

Mrs. A. Leonard Gutar of St. Joseph, Mo., and Mrs. William Davidson, were guests in the home of Mr. and Mrs. William Frankenberg Tuesday evening.

Mr. and Mrs. Raymond Hummel Sr. and son, Raymond Jr., were called to St. Claire Shores, Mich. by the death of the former's father, William Hummel. Mr. Hummel passed away Friday morning after a lingering illness. Funeral services were conducted Monday at a chapel in St. Claire Shores with graveside services and interment at Flint, Mich.

The recreation club of the Ann Rutledge school held a hay-rack party Saturday evening, Sept. 18.

Chaperones were Mr. and Mrs. Charles Scheeler, Mrs. Frank Kovar and Mrs. Grace Wilson, John Specht, a member of the Will County auxiliary police, went ahead of the wagons to watch traffic.

After the hayride, the group returned to the school grounds where they enjoyed a wienie roast.

The newly organized Boy

Scout troop #237 will hold a promotional meeting Tuesday, Oct. 5 at 7:30 p.m. at the home of the Scoutmaster, Richard Smith. Several of the boys will receive their tenderfoot badges. Bob Wolcott is assistant scoutmaster.

The first meeting of the Ann Rutledge PTA was held Monday, Sept. 13 at 8 p.m. Baby sitters were provided at this meeting because of the potluck dinner that was served at 6:30 p.m. Approximately 100 people attended the dinner.

The school board members and faculty were introduced. School teachers for the coming year are: Mrs. Frances Feeley, 1st; Mrs. Edna Florig, 2nd; Mrs. Charlene Anderson, 3rd and 4th; James D'Amico, 5th; Ray Pesavento, 6th and 7th and Robert Anderson, 8th and principal.

Plans were discussed for raising money for the year. Chairmen were appointed to work with the school board for various projects and equipment to be given to the school for the children's use.

Mr. and Mrs. Bales of Joliet presented the Boy Scout charter to the PTA and leaders of the scouting and 4-H groups were introduced.

Next month the girl scouts will perform. The program will be first and the meeting will follow. Room count was taken and candy bars and banner was awarded to the second grade.

Hostesses for the evening were Mrs. Pat Schofield, Mrs. Lenea Scheeler, Mrs. Jackle Bushen, Mrs. Pat Hauser and Mrs. Edna McNeely.

The first hot lunch was served to 176 children on Tuesday, Sept. 14. A profit of \$30 was made on the barbecues.

Randy Wheeler has returned to Northern Illinois university at DeKalb where he is a junior this year.

Mr. and Mrs. Charles Scheeler Sr. of Altoona, Pa., spent a few days with their son, Mr. and Mrs. Bud Scheeler and family.

Mr. and Mrs. George Kaehler were guests at a gathering of their card club at the home of Mr. and Mrs. Robert Moffet of Chicago last Friday night.

Noel Harrelson of Oram, Utah, called at the home of Mr. and Mrs. Emereth Boyden one day last week.

How It's Done

Starting A New 4-H Club

Boys and girls of 4-H Club age, parents, who want this program for their children, who are interested in providing the 4-H program to young people, are asking how to start a new 4-H Club.

Mrs. Orville Dettmering, Steger Road, Richton Park called Sept. 16 to ask how she could start a new club in Glen Ridge, a new housing development.

Many other communities are without a 4-H Club. Maybe, they, too, would like this information.

A 4-H Club is a group of boys, girls or both, 10 to 19 years of age, organized and developed in a community under the guidance of a local 4-H leader. To become a standard 4-H Club and receive an official charter a club must meet

these requirements: have at least five members, have at least one volunteer leader, elect officers, adopt a constitution, and plan a program of at least six meetings to be held during the year.

The first step to start a 4-H Club would be to call the farm adviser's office, 532-4369, or the home adviser's office, 532-8835 located at 6657 South Street in Tinley Park. They could give you the needed supplies and information for starting.

Contacting potential members, arranging and holding a meeting for parents and their children, and securing enrollments is the next step in organizing. At this meeting you might talk about what is 4-H Club work, who is eligible to be a member, what are the symbols of 4-H Club

work, what members do, what projects are available and what is required in each, and how recognition for achievement is given.

Members are then enrolled, officers elected, and new members are inducted. The members then take over and you, as a leader, guide them. Although you help and guide each member's work whenever you can, you will want to keep in the background so that members can develop their own initiative and leadership.

Let your 4-H Club and 4-Her's grow!

Parents are a vital part of the 4-H program. Between the 4-H projects and mother or father's help, excellent skills are developed.

The Norma Strassenburgs of Mokena are an example of a 4-H family. Barbara, 18, has been an active 4-H member for seven years. Susan, 14, is starting her fifth year. Both girls have carried a wide range of home economics 4-H projects especially in foods. They both have had beef cattle and Susan now has sheep as a 4-H project. Part of the girls interest and success in 4-H Club work is due to the help and encouragement of their parents. Mr. Strassenburg,

ELECT NEW OFFICERS - Norman Siekman (left) South Cook 4-H Federation President, congratulates newly elected officers for the 1966 year. The new officers (l to r) are: Larry Bernard, Mokena, Orland Boys 4-H club president; Sally Piekarski, Do-R-Best 4-H club, secretary; Robert Cooper, Orland Park, Orland Park Boys 4-H club, treasurer; Jean Wille, Tinley Park, Helping Hands 4-H club, reporter; Marilyn Bock, Tinley Park, Helping Hands 4-H club, recreation leader. Officers not present for the picture include Carol Bettenhausen, Tinley Park, Orland Eager Beaverettes 4-H club, vice-president; and Richard Pleckham, Matteson, Rich-Bremen 4-H club, recreation leader. The new officers of the Federation were installed at a ceremony held during the South Cook 4-H rally Sept. 25, at the Orland grade school. The rally is part of the observance of National 4-H Club Week celebrated Sept. 25 through Oct. 2. The rally is open to 4-H members and to boys and girls who think they might be interested in participating in the 4-H club program.

having had a 10 year background as a 4-H'er in the Fred Francis 4-H Club in New Lenox, Will Co., has been active on the Extension Council and a 4-H leader of the Orland Boys 4-H Club for over five years. Mrs. Strassenburg has been a co-leader of the Orland Girls 4-H Club for three years. They say, "belonging to a 4-H Club may be one of the most rewarding and enjoyable experiences your son or daughter can have. Many times we criticize parents for not cooperating with their youngsters in 4-H Club work, but it may be possible that some parents have not learned how to help their sons and daughters get the most out of 4-H.

They recommended the following list for showing parents how they can help their boys and girls.

1. Let your boys and girls know you are interested.

2. Listen to their ideas before giving them suggestions. Let them do their own work.

3. Discuss with them the selection for their project. Help them get started.

4. Encourage them to carry out the complete project.

5. Encourage them to take part in club and county activities.

6. Help them with their exhibits.

7. Encourage them to complete their records and reports.

8. See that they have transportation to meetings and activities.

9. Attend all special 4-H meetings held for parents and also some county 4-H activities.

10. Invite the club to meet in your home.

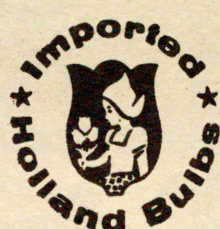

11. Get better acquainted with the adult 4-H leader.

12. Never forget that the real objective of club work is to develop your sons and daughters into finer citizens.

HISTORY OF ILLINOIS 4-H CLUB WORK

Illinois 4-H Club work had its beginning back in 1899 when Will Otwell of Macoupin County furnished an ounce of good seed corn to each of about 500 farm boys in that county. That fall nearly all of these boys exhibited their corn at the Farmers' Institute.

In 1903, 50,000 Illinois farm boys were given a chance to grow corn and samples were selected for exhibition at the St. Louis Worlds' Fair. Much interest in clubs for farm boys developed from this exhibit.

By 1910, a number of corn clubs had been organized and pig and calf clubs also helped in developing the work. With the Smith Lever Act in 1914 making federal funds available, 4-H became a major project of the Agricultural Extension Service of the University of Illinois. Macoupin County was the home of the first organized 4-H Club under the new plan and Sangamon County soon followed by organizing clubs.

We're glad to join in celebrating
National 4-H Club Week.
We proudly salute 4-H'ers, and
the local leaders who give freely
of their time and talents.

4-H Club Membership Offers Opportunities

Open to all boys and girls, 4-H Club membership offers many opportunities through participation in the educational and citizenship building program according to Webster Bay, Will County assistant farm adviser.

Members, meeting in their own 4-H Club, are able to develop as individuals while participating in a group.

Members plan and carry out their own program under the guidance of volunteer adult leaders. They elect their own officers whose re-

sponsibility it is to see that the club operates properly.

An important part of 4-H work is the opportunity for boys and girls to learn to work for themselves and their communities.

In individual work, members develop self reliance and learn new skills by enrolling in one or more projects. Bay reports that 4-H members have a choice of nearly 50 projects ranging from electricity to livestock. Through group work,

members learn citizenship, leadership and cooperation. Emphasis is placed on finishing started projects.

Teen-age boys and girls are invited to join a 4-H Club during National 4-H Club Week, Sept. 25 - Oct. 2. Any boy or girl between 10 and 19 years may join. Boys and girls who are presently nine years old, but will be 10 years old by July 1, 1966, are eligible for 1965-66 project membership.

If there is no 4-H Club in the community, parents or prospective members should call the Farm Adviser's office, 727-1173, Joliet, or the Home Adviser's office, 723-2265, Joliet, or write or stop by the County Extension offices at 100 Manhattan Rd., Joliet.

4-H Members Take Over Home Improvement Jobs

Remodeling a home is usually considered to be an adult undertaking. However, in 4-H families the younger members devote much time to beautifying and improving their homes.

They are the 201,000 boys and girls throughout the nation enrolled in the 4-H Home Improvement program supervised by the Cooperative Extension Service.

The younger 4-H'ers usually experiment with paints, paper materials, pictures and furniture care. Members between 12 and 14 years of age learn to sew curtains, frame pictures and redecorate their rooms.

Older members learn how to upholster and refinish furniture, build tables, improve lighting, make lamps, judge home furnishings, add storage space, arrange and remodel rooms.

Many become experts at refinishing furniture. Recently a Colorado 4-H girl was asked to refinish a 100-year-old candlestick table for a museum.

Various methods of teaching are employed by the club leaders. Among them are

tours of fabric shops, furniture and department stores, hardware stores, art galleries, museums and places featuring weaving, woodworking and related handicraft.

Each year the best home improvement project completed in a state brings the club member one of the most sought after awards 4-H has to offer: a trip to the National 4-H Club Congress at Chicago, and a chance for one of six \$500 educational scholarships. But before the boys or girls reach the state competition, they usually have qualified for a county medal award.

Sponsor of these awards, plus 17 educational grants of \$300 each, is The S&H Foundation, Inc.

This is one of the modern 4-H projects undertaken with equal success by both rural and urban 4-H members. And it is also a project that saves money and improves the value of the home.

Additional information about the home improvement program may be obtained from the county extension agent or the state 4-H Club office.

4-H Youths Promote Safety

The 4-H Safety program plays an important part in keeping children, adults and communities alert to hazards of everyday living. This year more than 825,000 boys and girls in 4-H are expected to receive some safety training, points out Leon McNair, field representative of the National 4-H Service Committee. And about 575,000 club members carry out specific assignments as part of the national safety program.

Carefully planned projects with emphasis on special areas of safety are supervised by the Cooperative Extension Service and volunteer 4-H Club leaders. Emphasis for 1965 is on traffic safety. Clubs and indi-

vidual 4-H'ers call attention to safe driving, safe highways and safety check of motor vehicles, Mr. McNair said.

The 1966 safety endeavors will center around water safety, such as boating, swimming and skiing, here revealed. Last year drug and chemical safety headed the list.

Interest in safety among youngsters is on the upswing, as shown by the high enrollment in the safety program. Last year 27,800 members were added.

For more than two decades, General Motors has sponsored the national 4-H Safety program. Training aids, awards and involve-

ment of GM personnel throughout the country have helped to bring home the safety and citizenship responsibilities of 4-H members and parents, Mr. McNair declared.

Again this year General Motors offers the following awards for superior achievement in safety projects or activities: (1) county medals to top-ranking members and a certificate to clubs conducting the most effective program (2) state winner trips to the National 4-H Club Congress (3) eight \$500 scholarships for national champions.

Scholarship winners are chosen from among all the state award recipients. Award winners are selected by the Cooperative Extension Service, Mr. McNair said.

Banquet Oct. 1 For Clubs Promoting Milk Products

An American Dairy Association of Illinois banquet honoring the achievements of 16 4-H clubs and their general leaders in promoting milk and milk products this past summer in Iroquois, Kane, Kankakee, McLean and Will counties will be held Friday, Oct. 1, at the Redwood Inn at Kankakee, starting at 7 p.m.

Representing a combined membership of more than 300 boys and girls, the 16 4-H clubs and their leaders will be recognized with awards from Pure Milk Association, major milk marketing and bargaining cooperative for dairy farmers, for successfully completing the first annual 4-H dairy promotion contest in Illinois.

A grand championship trophy will be awarded the club which most effectively promoted milk and other dairy products.

A trophy will also be awarded each first-place

club and its general leader in those counties in which more than two clubs participated.

Blue (first), red (second), and white (third - place) ribbons will be presented on a county-wide basis. In addition, the clubs will receive \$10 for first place, \$7 for second, and \$5 for third, plus a certificate of recognition.

Hunyady minister, 11100 Second st., October 3, 10:45 a.m. The Sacrament of Holy Communion will be administered to all communicant members and visitors.

This special service will last approximately one hour, and nursery facilities will be open with adult supervision at hand, as they are for all Sunday morning worship services.

Sunday church school for all ages, including adults, is held at 9:30 a.m. every Sunday in our fine education building.

St. John's locally represents the United Church of Christ, a union of congregational Christians and the evangelical & reformed church. It seeks to minister to the Christian community and surrounding area. For further information please call the church office, 479-5123. If no answer call the parsonage, at 479-5721.

Pastor Hunyady is our new minister. He began working with us on Sept. 1, and his formal installation will be Nov. 7, at 8 p.m.

Firemen's Parade October 3

In observance of National Fire Prevention Week, starting Oct. 3 to 9, the Orland Park Volunteer Fire Department will stage a parade in the community Sunday, Oct. 3 at 1 p.m. The department will also serve as host to the DesPlaines Valley Firemen's Mutual Aid Association.

The parade will form at 151st street and West avenue and proceed through Orland Park Hills via 151st street to Highland, down Highland to Huntington and then to West avenue to 143rd street with the parade ending at the Orland Park Plaza shopping center.

Included in the parade will be fire departments units from Cook and Will counties, displaying equipment of the earliest vintage as well as modern equipment. Also in the parade will be various

clowns and school bands from Carl Sandburg high school and the Orland Park elementary school.

Immediately following the parade, the firemen will stage a water ball fight in a lot at 143rd place and West avenue which is directly in the rear of St. Michael's church.

The local department will

Art Classes Start Up At Foundation Center

Fall art classes in ceramics and portrait painting started this week at the Community Center Foundation, Southwest Highway at 127th street, Palos Park. There is, also a class for children.

The ceramic class from 9:30 to 11 o'clock on Tuesday mornings began Sept. 14 and the one on Wednesday nights from 7:30 until 9:00, started Sept. 15. Mrs. David Hurwich of Palos Park teaches these classes and special help is given to students with any project they would like to do.

The painting classes will be held on Tuesday after-

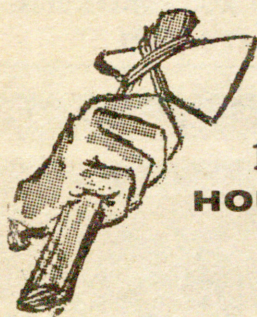

also hold an open house, to which the public is invited, to view the various equipment manned by the local firemen in answer to a fire call.

Plans are being made for next year by the department to observe the 75th anniversary as volunteers in the community. A parade and other activities are being scheduled.

noons, from 1 to 3 o'clock and Thursday evenings, from 7:30 until 9:30. This series will be in painting portraits in oils. The instructor is Mrs. Marvin Kutchinski of Palos Heights.

The children's classes, conducted by Mrs. Oliver J. Nielsen of Palos Heights, will begin on Saturday, Sept. 18. For children of ages seven thru 13, classes are held from 10 to 11:30. The fall program will start sketching out of doors, and, later in the season, there will be block printing of Christmas cards.

Mrs. Menzer Hostess To First Nighters

MRS. EDWARD HOVI
Telephone: 479-5740
The First Nighters will hold their get together at the home of Mrs. Rose Menzer on Oak st. Thursday, Oct. 7 at 8 p.m. The September meeting was to have been held at Mrs. Menzer's home, but our ill-famed storm caused the postponement of the group until October.

The Cub Scouts will have their organizational pack meeting at the school on Friday, Oct. 8 at 8 p.m. All boys who have previously participated in the scouting program are asked to attend with their parents. In addition, all new boys between the ages of eight and eleven, who are interested in joining in scouts this year are also to attend with their parents.

There will be registration of all new comers at the meeting, and to be eligible to join the boy must be between eight and eleven years of age, and a resident of the Summit Hill School District. It is also expected that the parents attend the pack meetings held once a month at the school.

The cub scouts will attend their fourth White Sox baseball game Saturday, October 2. If you are interested in driving the boys, please contact Emery Mann at 479-5102.

The cub scout program will be headed this year by Mr. Mann as cub scoutmaster. Mr. Pasky, who has been cub scoutmaster for the past several years, found it necessary to tender his resignation, thereby necessitating the changeover.

The Summit Hill Boy Scout Troop will postpone their regular monthly newspaper pick-up until the second Saturday of the month, instead of the first Saturday, since the boys will be on an overnight campout and hike at the Kankakee River State Park.

There will be twelve or thirteen boys attending the outing accompanied by Glenn Cullum, Emery Mann, and the scoutmaster, Dan Markowski.

The boys will practice their skills of fire by friction in using flint and steel and sticks and leather thong. They will also practice lashing and try to construct a travois, a type of Indian carrier which was pulled by horses and dragged behind. A flagpole will also be erected using their newly practiced skills.

The boys will fill up the remainder of their time with first aid practice, hiking and a pancake race.

The annual fall round-up for the boy scouts will be held, as usual, at Van Horne Woods near the pavillion on the Wolf road side. There will be a weiner roast with each family providing their own food. The boys and their

families are all invited to attend on Wednesday evening, October 13 beginning at approximately 7:30 p.m.

If there are any new boys between the ages of eleven and fourteen, they should also attend the round-up with their families.

There will be a recognition night of awards earned in the scouting program during the past several months.

Any eligible boy in the school district who would be interested in joining the troop may also attend a regular weekly meeting at the scout house on 191st st. about one and one-half miles east of Route 45. The meetings are held each Wednesday evening at 7:30 p.m.

A final reminder of the changed date of the newspaper pick up, it will be on Saturday, October 9, instead of October 2.

Mrs. Ott and Mrs. Leonard are again acting as co-leader of the Brownie Scout Troop 334. They have a full complement of girls for the troop, and now have the wheels turning to plan an outing in the near future before the weather would prevent it.

The girls are beginning to make their "sit-upons", a waterproof cushion which is tied around the waist to form a protection from the damp ground while sitting.

The second Brownie Scout Troop Number 332 will have as its co-leaders Mrs. Carl Lawson and Mrs. Shirley Witt. Mrs. Witt is presently taking leader training program.

Their first meeting of the troop will be held this afternoon, September 30, at the school. Plans are indefinite at this point, but will shortly be set up.

The second troop also has a completely full group of girls with a waiting list. It is unfortunate that a third troop could not be formed, but there are not enough women who are able to be leaders.

John Cumbie was given a surprise birthday party at his home on Saturday, Sept. 18, in honor of his ninth birthday. Several of his boy friends added their best wishes to the festivities.

The Arbury Hills Baseball League will have their regular monthly meeting at the school on Tuesday evening, Oct. 12, at 8 p.m.

The special program of films scheduled recently had to be cancelled, because of the storm warnings out on that night for this area. There are efforts being made to have the films rescheduled.

The Arbury Hills Baby Sitters Cooperative is scheduled to have their secretary's book change hands from Mrs. Len Gunty, who has been secretary for the

past month, to Mrs. John Hayden, who will act as secretary for the coming month.

Any member who needs a baby sitter is asked to contact Mrs. Hayden at 479-9350 at least twenty-four hours in advance of the date needed. In addition, any mother in Arbury Hills who

would be interested in joining the group is asked to call Mrs. Hayden at the above number for further information.

Mrs. Hayden will receive the book on October 1, and will have it during the entire month of October.

Ability Should Be Rule In Hiring, Says Kerner

Gov. Kerner has proclaimed the week of Oct. 3-9, as the 20th observance of National Employ the Physically Handicapped Week in Illinois. The purpose of the week is to call national attention to the need for equal job opportunities for the handicapped and to salute the nation's handicapped workers who are gainfully employed and who are proving that it is good business to hire the handicapped.

In issuing the proclamation, Gov. Kerner urged employers to look at abilities, not disabilities, when hiring. Every Employer in the State is asked to take this realistic outlook at a worker's job qualifications.

All employers must be made aware of the great potential strength of the handicapped as a labor force. "To keep America the

leader of the world we must utilize every possible segment of our labor force and one of the largest unused segments is the handicapped," he said. Since the first observance of National Employment of the Physically Handicapped Week, more than 5,000,000 handicapped men and women have found gainful employment in a variety of occupations in private industry, and in federal, state or local government. The governor called on all employers and the general public to cooperate in observance of the Week by supporting activities to further employment of the handicapped.

Farm Bureau Food Poster Contest Opens

The Will County Farm Bureau is again sponsoring the "Better Foods" poster contest open to all children of grade school age in the county.

Materials for the children who wish to enter are being delivered to schools by members of the Farm Bureau Women's Committee and are also available at the Farm Bureau office.

Contest closes Oct. 25. All posters submitted by school children should be in the Farm Bureau office by that date.

Posters will be judged according to age groups, grades 1-3, 4-6, and 7th and 8th being the three classes. First place award in each age group is an attractive, inscribed walnut plaque. There will be merit awards for the next six in each age group. Participation certificates will go to all who enter. Judging will be on the basis of eye appeal, originality, theme, and identification.

Jr. Burros Win Again

The Mokena Burro's junior varsity football team defeated Crestwood with a score of 26-0 at New Lenox Sunday, Sept. 26.

Touchdowns were scored by Duane Niemann on a 29 yard left end run in the first quarter. In the second quarter Kenny Fortman went a round right end for a 17 yard touchdown and also in the same quarter Toby Krueger plunged for a third touchdown. Billy Clegg scored both extra points.

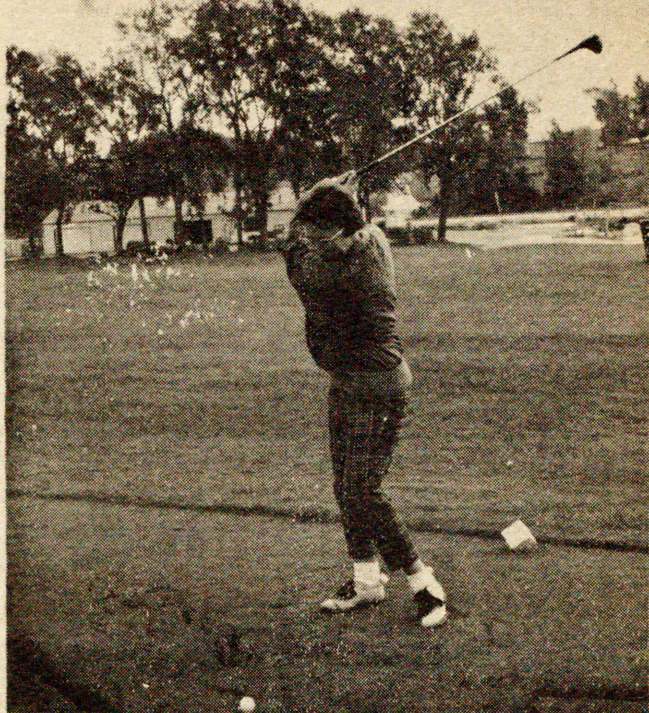

In the fourth quarter, with the reserve unit running against Crestwood, Pat Nelson took a double hand off from Duane Pierson and Mark Kruger. Nelson made the longest run of the day with a 48 yard touchdown.

The lightweight Burros defeated Crestwood with a score of 13-0, with Billy Patterson catching a pass for one touchdown and Blake Tekotte going over from 28

yards out on the other touchdown. Tekotte added an extra point.

The New Lenox team were victorious over the Burros varsity team by a narrow margin of 14-12. Touchdowns for New Lenox were scored by Harold Webb and extra points were won by Rich Otis and John Minger. Two touchdowns were scored by Orville Shaw of the Mokena Burros. Burros coach John Ryan stated "It was a tough defeat because of a close score, but the defense is shaping up". Blocking will be stressed during practice session this week.

Saturday afternoon, Oct. 2 the 125 pound Burros will play a short game with New Lenox between halves at the Lincoln - Way high school game. On Sunday, Oct. 3 the Burros will play the Tinley Park Bulldogs with game time set for 1:30 p.m.

ORLAND PARK C. of C. golf outing was not confined to men. Play at Palos Country. There are women members too and there were women guests. One of them was the lady teeing off here, Mrs. Pearl Jardine, of Tinley Park. Last Friday was rather a gray, chilly day for golf but at least it didn't rain, and it didn't snow.

Lincoln-Way Knights Lose First Game

BY TOM SCARTH

The Lincoln-Way Knights were shut out last Saturday in the first game of the Southwest Suburban conference by Oak Lawn 21 to 0 on their home field.

The first quarter saw the Spartans open fire on the Knights defense early, moving to within 25 yards of the goal line. Oak Lawn's Jim Katzmahn hit John Matulis who ran with the ball 13 yards into the pay dirt. Bob Reithofer kicked the extra point to make the score 7 to 0.

In the second quarter the ball changed hands many times before either team could start a substantial drive. It seemed that every

time the Knights would get within scoring distance, they would lose the ball either by an intercepted pass or failure to gain the first down. The Spartans second touchdown came when Frank Fleck booted the ball against the wind that carried out of bounds at the Knights 37 yard line. The Spartans took over with 42 seconds left in the half. Oak Lawn moved the ball to within 11 yards when Katzmahn hit Terry Kostoff for 26 yards. With nine seconds left in the half, Katzmahn hit Don Niersbach for the touchdown.

Bob Reithofer was forced to run the extra point because of a bad hike from center. So at the end of the first half, the score was 14 to 0 in favor of Oak Lawn.

It wasn't until the fourth quarter that the Knights posed a serious threat to the Oak Lawn defenses. The Knights moved the ball to within the 45 yard line of Oak Lawn when Keith Schram uncorked a 43 yard pass to Frank Fleck, but the play was called back because of an illegal procedure penalty against Lincoln-Way.

The Spartans put on an aerial show for their last touchdown. Katzmahn passed four times moving the ball to the one yard line where Chuck Nelson smashed over for the touchdown. Bob Reithofer kicked extra point making the score 21 to 0.

Jim Markl was outstanding in defeat. He was the Knights leading ground gainer, rushing 12 times for a net gain of 48 yards. Tom Hartnell was the leading pass receiver, netting 23 yards for four carries.

The Knights had difficulty in both rushing and passing, netting only 47 yards rushing and 31 yards passing. The sophomore team tied the Oak Lawn 0 to 0. As freshman, they also tied by the same score.

This Saturday the Knights face Rich East at home. The Fresh-Soph game starts at noon and the varsity at 2 p.m.

As early as 1856, Horace Greeley sponsored a corn-growing contest for New York boys, a forerunner of 4-H Club contests. Rural school superintendents and college experiment stations promoted contests in crop production and soil testing in the early 1900's.

Nation's 4-H Youth Tackle Conservation Of Natural Resources

Nearly a quarter-million 4-H youngsters are expected to carry on conservation projects during 1965, reports the National 4-H Service Committee. The estimate is based on last year's project enrollment figure of 216,580.

Projects cover forestry, wildlife, pasture and range lands, soil and water. Besides doing regular project work, thousands of 4-H'ers will attend a conservation camp this summer where they will be instructed by extension conservation specialists and other professionals.

As a matter of fact, any summer camp or vacation trip offers unlimited opportunities to practice conservation, observes the Extension Service. Parks, beaches, lakes, rivers, mountains and forests are prime targets for nature's unceasing battle of tearing down and building up natural resources, it adds.

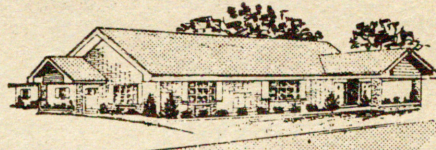

What is soil? How many ways is water used? What is

a forest? What are grasslands? Why is wildlife important? How is one dependent upon the others? These are but a few of the questions that confront 4-H conservation members.

Finding the answers takes 4-H'ers thru countless areas of scientific investigation and develops a new understanding and appreciation of nature.

Conservation projects often add value to the farmland, beauty to the countryside and better health and safety for the community. Individual projects vary from testing soil and planting trees to stem erosion to organizing bird walks or making an aquarium to study life above and below water.

Recognition is given 4-H boys and girls through the National 4-H Conservation of Natural Resources program set up by the Cooperative Extension Service, the National 4-H Service Committee and sponsored by John Deere.
